- Citizenship, age, income, and study-level checks must use the stated values and dates.
- A definite failure of any mandatory rule makes the applicant ineligible for this fictional award.

Documents to include

Each application must include all five documents. Copies must be readable and current.

D1 Identity card copy

Front and back. Used to support citizenship and date of birth.

D2 Certified academic transcript

Must show the latest cumulative grade point average and bear registrar certification.

D3 Household income evidence

Latest payslip, pension statement, or statutory declaration for each contributing household member.

D4 Current enrolment letter

Must state institution, programme, undergraduate level, and full-time status.
